## **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

2. Authorization for this Examiner's amendment was given in a telephone interview with Applicant's Attorney (Mr. Scott A. Horstemeyer, with Reg. No. 34,183), on Wednesday October 11, 2006, without traverse.

3. **Canceled claims 4 and 5.**

### **Drawings**

4. **The drawings were received on July 2, 2003. The Examiner accepts these drawings.**

### **Information Disclosure Statement**

5. **The information disclosure statement (IDS) submitted on July 2, 2003 is being considered by the Examiner.**

### **Allowable Subject Matter**

6. The following is an Examiner's statement of reasons for allowance.

The prior art of record fails to teach or suggest, systems and methods for inspecting natural or manufactured products comprises (a) generating a contrast image as a function of the reference value and the sample image, the contrast image being

indicative of deviations of the sample image from the reference value, the contrast image comprising a red component deviation value; a green component deviation value; a blue component deviation value; determining an acceptability level of the sample food product, the acceptability level being a function of the red component deviation value; the green component deviation value; and the blue component deviation value in combination into other features and elements of claims 1 and 2; (b) generating contrast data as a function of the reference data and the sample data, the contrast data having contrast features, the contrast features representing deviations between the sample features and the reference features; and determining an acceptability level of the sample product from the generated contrast data in combination into other features and elements of claims 3, 6 and 23.

**7. Claims 1, 2, 3, 6-26 (now renumbered 1-24) are allowed.**

**8.** Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

#### **Citation of Relevant Prior Art**

**9.** The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Windham et al (U. S. 6,587,575 B1) disclose method and system for contaminant detection during food processing.

Fazzari et al (U. S. 5,659,624) disclose high speed mass flow food sorting
